Below are the forms needed to obtain boat stickers, dry dock stickers, etc. for the 2020 Season for owners in good standing. These forms are also on our website at [www.bmla.us](http://www.bmla.us). For the safety of everyone, you will need to print, fill out and sign your forms. Enclose your check for payment- everything can go on one check. You must have a separate sticker for each boat you are putting on the lake, so indicate the number of stickers you will need for YOUR personal boats. Mail in your paperwork and payment. Once received, your paperwork will be processed, approved and your stickers will be mailed out to you. Your cooperation is appreciated during this trying time. If you have any questions, call Admin at (570) 788-1010.
