JMSI provides professional cost effective mold inspections, testing and remediation services for residential and commercial properties in Eastern PA. In fact we have completed over 30 mold remediation projects for residents of Beech Mountain Lakes. Due to several factors mold is of a greater concern in BML than other areas. Limited direct sunlight, sloping lots, larger structures on smaller lots, rocky soil, excessive vegetation and part time or limited occupancy are all factors which can cause indoor moisture issues and mold concerns. Mold visible as black staining is common on attic roof sheeting as is mold visible as a bright colored powder substance on structural wood, insulation backing, furnishings and items in crawl space or basement areas. Contact JMSI today and let us put our 30 years of experience to work for you.

**2019 BOARD OF DIRECTOR ELECTION
NOTICE
MEET THE CANDIDATE NIGHT
WEDNESDAY, OCTOBER 2, 2019
TIME 6:30 P.M.**

To the Members of Beech Mountain Lakes Association, Inc.

Beech Mountain Lakes Association, Inc. will hold Meet The Candidate Night on Wednesday, October 2, 2019 in the Beech Mountain Lakes Community Room, located at the Clubhouse / Recreation Center, 1 Burke Drive, Drums, Pennsylvania.

The Slate of Nominees is as follows:

LINDA JO ROBBINS

**Kevin Walsh, Secretary
Board of Directors
Beech Mountain Lakes Association, Inc.**

**Linda Jo Robbins
223 Shingle Mill Dr.
Drums, PA 18222**

My name is Linda "Jo" Robbins and I have resided with my husband, Lee of 52 years, in Beech Mountain Lakes for the past 16 years. We are blessed to be the parents of two daughters and the grandparents of one granddaughter. We also have 2 fur babies. While residing in Beech Mountain Lakes, I have been an active member of the Community, and have served on the following Committees over the years:

- Landscape Improvement Committee (I have the Poison Oak scars to prove it)
- Haunted Halloween Campground Trail Committee
- Fine Arts Festival Committee
- Original Volunteer Committee (Resurrected it two years ago)
- Finance Committee (Member for the past ten years)

I obtained an Associate in Arts Degree in Accounting from Yakima Valley College in Yakima, Washington. From 1967-2003, I was employed by United Airlines and served as a Flight Attendant and Customer Service Trainer. I was promoted to Business Manager which included planning and managing a \$33 million annual budget as well as presenting the budget to Corporate for approval. I believe my work experience will benefit the Board of Directors, as well as the Association, as I will be very cognizant of budgetary concerns.

My time served on the Finance Committee has given me the foundation of the Beech Mountain Lakes Association, Inc. budgets over the years to be able to contribute immediately to the budget concern conversations and decision making.

My outside interests include the following:

- President of the Board for Butler Township Community Garden
- Member of the PSU Luzerne County Extension Board
- PSU Master Gardener
- Prepare & serve meals to the homeless at Catholic Social Services & Salvation Army
- Eucharistic Minister At St. John Bosco Church
- PA Forest Steward

After much soul-searching, I have decided to run for the Beech Mountain Lakes Association, Inc. Board of Directors because I believe that improvements can be made. The Board has hired a new General Manager and it seems to be the perfect time to be part of a positive future here at Beech Mountain Lakes. I promise each and every owner, that I will work toward more transparency and work tirelessly to improve the quality of life for all of us residing here in Beech Mountain Lakes.
