A DCS Company lawnspecialties.com

This spring enjoy the outdoors without the bite of mosquitos or the fear of introducing fleas and ticks into your home. Lawn Specialties' goal is that every client should feel as comfortable on their lawn as they are in their home. Our priority is not only the aesthetic of your outdoors space but the safety of your family and pets that are on them.

Pests come in varying sizes from ants to skunks, don't let the size of these critters fool you as they all are damaging to either your property or health. DeAngelo Pest Control offers year round treatment plans to ensure that your home is protected from insects and rodents during every season. Call DeAngelo Pest Control today for a **FREE** inspection

CHILDS

ROBERT & IVELISSE

Hazleton Area School Directors

- ***Are you upset with big warehouse companies getting tax-free status for 7 years from the Hazleton Area School Board while your own property taxes increase every year?***
- ***Are you concerned about the pending influx of children into an already overcrowded Hazleton Area School District, a dilemma caused by the many new families arriving with those tax-free warehouses?***
- ***Are you aware that local taxpayers will be solely responsible for the costs associated with constructing school buildings to accommodate the many new students enrolling in the Hazleton Area School District?***
- ***Are you worried about the quality of education the students in this overcrowded school district are receiving now and will receive in the future as the student population explodes?***
- ***If you find these conditions appalling, VOTE on November 7th for a change in the way the Hazleton Area School Board does business. VOTE for Robert and Ivelisse Childs, both of whom are committed to including the 'public' in decisions involving our public school system!***
